

Breaker

GSH 16-30 Professional

Extreme power for 13 tons of material removal per day

- ▶ Extremely high material removal rate due to 45 J single impact force and 1750 watts motor power: 13 tons of material removal per day
- ▶ Extremely long lifetime due to robust design and use of high-quality materials
- ▶ Vibration Control for reduction of vibrations that are hazardous to health and, therefore, longer operating time and greater ease of use

Other features

- ▶ Unique: the GSH 16-30 Professional can be easily and conveniently transported on rollers in the trolley that is supplied as standard
- ▶ Excellent handling thanks to the large handle
- ▶ The on/off switch is perfectly positioned, which prevents the tool from being switched off unintentionally
